Dear Sisters and Brothers,

It is with great pleasure that I introduce to you the Membership Programs sponsored by the General Grand Chapter, Order of the Eastern Star for Triennium 2018-2021.

The first is one with which you will all be familiar: The **Rob Morris Award Program**. You will find all details in the attached information. In some Chapters, the Secretary keeps track of member points to receive the pin and/or bar. In other Chapters a Chairperson volunteers to keep records. Please make sure that someone keeps track of points and submits the application for the award promptly to the overall Chairperson, Sister Sharon Mosmeyer, as explained in the attached paperwork.

In addition, I would very much appreciate being informed when the pin/bar will be presented, as I would like to attend that meeting.

Second, the **Mother Hen Mentor Program** is a new program for this 2018 - 2021 triennial term. The program applies to new or returning members initiated between November 1, 2018 and July 31, 2021. All details of this program are found on the attached information as well. As part of this program, your Chapter is requested:

- to make sure that a mentor is appointed to each new/returning member for the 3-month mentorship period,
- make sure that the mentor has all instructions for achieving the goals,
- and upon completion, send the application for the receipt of the "Mother Hen Pin" award to me (Sharon G. Bush) as instructed on the detail sheet.

Also, it is understood that several chapters have already initiated new members within the time frame mentioned above. Mentorships appointed to these new members retroactive to November 1, 2018 will be acceptable.

In addition, surely, many of you have seen the exceptional efforts of our New Hampshire Membership Committee. On the E-Guidepost, Sister Karen Tuttle has offered many helpful suggestions and each Chapter has had a presentation by a Committee Member regarding the Tool Kit prepared for all of us to use.

In conclusion, we are all aware that our membership is declining and has been for many years. Let's work to make every effort to reverse this devastating trend.

Yours in Fraternal love and service,

Sharon G. Bush, GGCCM Membership Committee and PGM of New Hampshire
