

## **MENTOR PROGRAM**

### **January, 2022**

The "Mother Hen" program was established by General Grand Chapter (2018-2021) and rewarded a mentor of new and/or returning member(s). The NH Membership Committee has found it to be an extremely useful tool in promoting and retaining new members. The Committee wishes to continue this program as a compliment to the new GGC Star Pal program just revealed to the membership.

This how it will work: The Chapter assigns a mentor to a new or returning member beginning as soon as possible after the petition is received. This mentor will be a trusted and experienced member who will advise, guide and encourage a new or returning member to become an active and knowledgeable participant in our Order. This support will continue for at least three months. See the Mentor Guidelines for additional information. At the end of 3 months, please advise via email or letter of this achievement to the Chairman of the Membership Committee. As soon as feasible, a Mother Hen Pin will be awarded to the mentor. There are no limits to how many Mother Hen pins can be earned.

Awesome Ribbon recognition will still be awarded to any new/reinstated members who join Our Order together in numbers of 2 through 6. These will be awarded only while the supply lasts.
