Grand Chapter of New Hampshire
2018-2019 Travel Award Program

The travel award program is being changed this year to reflect the importance of the participation necessary for our wonderful Order to prosper and grow. We intend to include those who so often work behind the scenes, doing the jobs necessary for each chapter to function. We want to acknowledge those who work hard for their chapter. To facilitate this we have instituted a two-tier travel award. The first is a chapter participation pin. To receive this pin a member needs to attend 5 of their own chapter functions during the year. This includes chapter meetings, cooking or serving a Masonic supper, working chapter fundraising activity etc. Any member who participates in 10 events of their own chapter will also earn the travel pin. The second is the travel pin. It will take 75 points. Points are outlined on the next page. When you have accumulated your 75 points turn in your booklet to Sister Pam Traurig, Deputy Grand Marshal, in order to receive your pin.

After receiving your pin please continue to record your points for the Chapter Awards awarded at Grand Chapter.

All booklets must be submitted to Sister Pam Traurig by August 4, 2019.
