

# Grand Chapter of New Hampshire

## 2017-2018 Travel Program

Event	Points

Keep track of the points you earn while traveling on the Eastern Star Trail. Remember, not all who wander are lost. When you have accumulated 65 points, turn your booklet in to Sister Lisa Hollis, Deputy Grand Marshal, in order to receive your travel pin.

After receiving your pin, continue recording your points which will count towards **all the Chapters you are a voting member of** and your Individual Travel Award.

Didn't earn enough points for a pin? Turn your book in anyway, as your points will help your Chapter's Travel Award.

All books should be turned into Sister Lisa Hollis by July 29th, 2018.
